RESPONSE TO OFFICE ACTION

Commissioner for Patents
Alexandria, VA

Dear Sir:

This responds to the Office Action dated October 7, 2008. *At the time the present invention (priority date April 30, 2003) was made, both it and Nesic et al. were entirely owned by Sony Corp.* Specifically, when this invention was made it was owned in its entirety by Sony Corp. and Sony Electronics, Inc., a wholly-owned subsidiary of Sony Corp. Nesic et al., at the time this invention was made, was owned by Sony International (Europe) GmbH, which in turn was owned in its entirety by Sony Corp. directly and in joint tenancy with one or more subsidiaries that are entirely owned by Sony Corp. Accordingly, since all pending claims have been rejected based on combinations of references that include Nesic, all rejections are overcome.
